LILLIE TURNER IN A DRIVE.

HAYES' FILLY WINS THE LATONIA OAKS FROM MISS ALERT.

Miss Lida Is Narrowly Defeated for Second Money-Dainty Dame Quits-Another Bad Day for Favorites.

Cincinnati, O., July 2 .- T. P. Hayes' Lillie by Star Shoot-Lizzie Dixon, won the Latonia Oaks, the stellar offering of the meeting for three-year-old fillies this afternoon. Her victory was decisive and came after a stirring drive, last-ing the entire length of the stretch. Miss Alert, recently shipped here from Windsor, was the runner up and earned second money from Miss Lida by a scant neck. Wing Ting and Dainty Dame were the other starters. Jockey Lloyd came here from Buffalo to pilot Dainty Dame. She showed a good flight of speed for three-quarters of a mile, and then tired, finishing far in the rear.

Lillie Turner, ridden by J. Lee, was rated along behind the fast leaders for the first mile. She turned wide entering the stretch and appeared hopelessly beaten, but she responded to Lee's urging and gradually wore down Miss Alert and Miss Lida, which were battling stride for stride. At the sixteenth post she drew level with the leaders and forged ahead in the last seventy yards to win by three parts of a length. Lillie Turner was favorite and her victory was well received. The net value of the stakes was \$2,630.

Considerable grumbling followed the victory of this horse on account of the poor form he displayed in recent races.

Tsara and Viperine put up a determined struggle in the second race for nearly all of the threequarters of a mile. Near the end Viperine attempted to savage Tsara and jockey Lee was forced use his whip to fight her off. But for Viperine's viciousness she would have won. Tsara only beat her a nose, getting up in the last two strides. D. Austin was cautioned by the judges for allowing Bert Osra to swerve into Stoner Hill in the stretch

Sievier was ruled off in consequen it was thought at the time, of the testimony given against him in his libel suit against Sir James Duke, who had publicly referred to Sievier as a card sharper, and made other charges, and had asserted that he had caused his mare Sceptre to be "pulled"

The jury decided that Duke had not committed any libel and mulcted Sievier in the costs of the In the month following the trial of this case, which took place in May, Sievier was arrested on a charge of perjury in connection with it, but was acquitted on his trial.

Mooksie Unseats Rider When Toronto Steeplechase Is Apparently Hers.

Buffalo, N. Y., July 2 .- This was Country Club day at Kenilworth and members of that organization were guests of the Buffalo Racing Association. At the conclusion of the regular program a race for polo ponies was run and it was won by Gertrude, ridden by W. Seward Cary.

The Toronto Steeplechase was marred by mishaps. Pierre Lorillard's Mooksie, the heavily backed favorite, came to grief at the sixteenth jump. was crossed by Dulcian and in landing stumbled and unseated her rider. Mooksie, at the time appeared to have the others soundly beaten. Rodrock found Dulcian a hard horse to control. Directly after taking the last jump Dulcian bolted and his rider was forced to pull up to keep him from going When he got his over against the outside fence. mount straightened out again, Rock Storm was right on top of him and in the run on the flat, Rock Storm overhauled and passed Dulcian, winning easily by a couple of lengths. Cardigan unseated his rider at the ninth jump.

Jockey Nicol rode the first two winners, Aristotle and Chulita. On Aristotle Nicol had to put up of his strongest finishes to get the colt to last long enough to beat Oroba out a short head, but on Chulita he had only to sit still and allow the filly to go along about her business

Jockey Lloyd, who rode Dainty Dame in the Latonia Oaks today, is expected to return by Thursday.

The entry of Posing was ordered refused for the remainder of the meeting, as the mare has been a confirmed rogue at the post, refusing to leave the

Henry F. Morris, the Jockey Club's representa tive, was absent from his post at Kenilworth this afternoon. He was called to New York to attend meeting of the National Steeplechase and Hunt Association. His place was taken by Col. Robert H. Neville.

GERST THREATENS TO SELL OUT.

William Gerst, the father-in-law of George Holle and the real owner of the horses racing latter's name at Latonia, was miffed at the disqualification of Parisian Model in the third race Monday and is quoted by the Cincinnati Enquirer as having said:

"It appears to me that I must do one of two sell my horses or go away from here. On Saturday my filly Colloquy was fouled in the stake race and no attention was paid to it. Now my filly is said to be at fault and the race is promptly taken away. Rulings should be consistent. At that I had my mind made up to cut down my turf interests, which are entirely too big a load to carry. I went into racing for the sport that was in it.

"It was grew too fast. I have too many horses and am under too big an expense to continue it on the present scale. My trainer, Will McDaniel, wired me today about two colts he would like to buy in the east but I answered him that I was not in the market

Mr. Gerst has a big farm at Nashville and in addition to the stable at Latonia trained by W. L. Lewis and racing in Mr. Holle's name, he has one string in New York in charge of Will McDaniel Circuit in charge of T. L. Pierce. The combined winnings of these three stables for the first months of this year was fifty-four firsts, fifty-five econds and thirty-five thirds and \$26,825. this amount \$18,029 is credited to the Holle stable which has won thirty-seven races, thirty-eight sec onds and twenty-two thirds

W. H. DANIEL IS WORKING WELL.

New York, July 2.-W. H. Daniel has n gagements at Sheepshead Bay, but he is eligible to the Brighton Mile, to be run next Wednesday and the Brighton Handicap, to be run the follow ing Saturday, and work-watchers expect him to make his three-year-old debut in one of these races He is doing all that trainer Henry McDaniel is asking of him at Sheepshead Bay and will be ready when he comes out under the colors of E. S. Burke.

BUTTE TRACK TWENTY YEARS OLD.

The track at Butte, Montana, which will open omorrow for forty days' racing under the agement of Harry Stover, was built by Lee Mantle and his associates twenty years ago. Twelve years ago the track passed to Marcus Daly, who gave it a splendid equipment. In the time of Mr. Daly the track was managed by Ed. A. Tipton, and the miners of that country enjoyed better racing than they had ever hoped to see. After the death of Mr. Daly the track changed hands several times.

NOTES OF THE TURF.

Ed Trotter now has first call on jockey Moreland t Windsor.

Beckon is getting ready for the Vernal Stakes at Sheepshead Bay Saturday, and work-watchers in the east say she will give a good account of horself

herself.

The distance of each of the four races won by Thistle Do this year was one mile and seventy yards, and the finishes were drives wherein his winning margin was never more than half a length.

"Red" Walker is Canadian born and his greatest ambition is to breed a winner of the King's Plate at Toronto. Last summer he bought a farm near Fort Erie and has there now several thoroughbred marges.

Goldblatt Swaps Matabon for Golden Mineral

-Steeplechase Jockey O'Connor Injured.

Detroit, Mich., July 2 .- A free gate for ladies served to attract a large crowd to Windsor today. The weather was cool and the track fast. Three favorites, Prolific, Shineon and Light Note, won Winners of the other races were second choices with the exception of Tomnabat in the second. He won easily at 10 to 1.

Steeplechase jockey O'Connor, one of the best cross-country riders here, suffered a fracture of the collarbone this morning. Red Robe fell with him while schooling through the field.

Jockey Gaugel, who was slightly injured by his fell in the last race yesterday, cancelled his engagements for the day. J. U. Strode, to whom the boy is under contract, says he would give him a for a week or two.

Mose Goldblatt bought Matabon from William Gerst for \$1,300 last week, and this morning traded him to P. M. Civill for Golden Mineral. Civill shipped Halbard to Buffalo this afternoon to start in the Independence Stakes at Kenilworth Thurs day. It is expected that La Pucelle will come here from Buffalo to run in the Pontchartrain Stakes Thursday.

BREEDING BUREAU'S GREAT WORK.

Forty-Four Stallions Now in Service Have Been Visited by 2,000 Mares.

New York, July 2.—Some definite idea results of the first year's work of the Breeding Bureau may be gained before a great while. Al ready a great many foals have been reported, but as the breeding of horses of the class the Bureau's scheme is carried on until very late n actual results are not yet obtainable.

In 1906 the first stallion was shipped to his keeper on May 30 and reports to December 31 showed that the thirty stallions placed had received about 500 matrons, and now (up to June 1) reports show that the forty-four stallions have been patronized by almost 2,000 mares, the property of farmers of the state of New York, so the good work is well begun. The result of almost 2,000 half-bred colts or fillies in New York state will be felt for a lifetime, even should the Breeding Bureau its operations today, of which there is no likelf-

The Breeding Bureau is in its infancy, and while the work must of a necessity go a little slower (the supply of available stallions being, to a certain extent, limited), before the present breeding season is over fully fifty stallions will have been placed. and by the end of the year fully sixty, which will mean a stallion for every county in the state.

The fact that the Breeding Bureau was created late in 1906 makes it impossible to even correctly estimate who will be the lucky keepers in receiving the prizes of \$150 to first, \$100 to second and \$50 to third, offered to the keeper of the stallion which has the most foals in 1907, but a close watch is being kept and the awards will be promptly made.

The special prizes for best foal (as shown at foot of dam) by Don de Oro and Margrave, as offered by August Belmont, chairman of the Jockey Club, who donated both the above horses, offered through the agricultural societies of Broome and Livingston counties, and next year the Breeding Bureau will offer three special prizes in each county of the state for the best yearling as the stallions of the Breeding Bureau of The Jockey Club.

The following horses have been newly placed or changed by the Breeding Bureau of The Jo during the year 1907:

Victory perched on the western contingent in the Long Island Handicap, the feature of the card, when P. J. As for the other races at least one champion, Notasulga, appeared under colors. West and east alike was eager to see her again perform. Some of the best local fillies hooked up with the New Orleans wonder, but if her rivals had friends they did not disclose their identity in the betting. It did not turn out the hollow victory that the spectators anticipated, for during the major portion of the running the favorite's chances appeared decidedly slim.

It was a big betting day, as the card seemed made to order for speculation.

The steeplechase proved an easy victory for Phantom. Commodore Fontaine, Larone and Flying Machine fell. Flying Machine stepped on jockey Stringer, but it was found after he had been restored to consciousness that he was not injured.

Keep Moving, the filly which carried the colors of F. R. Hitchcock in the third race is a beauty. She was much admired by James R. Keene and others during the saddling process

George S. Davis, Bad News, Blandy, Cederstrome, Don Hamilton, Halifax, Jubilee, Sir Lynnewood, They're Off and Tony Faust have been placed on the schooling list by the starter.

It is rumored that Mickey Shannon is to succeed W. A. McKinney as trainer for C. E. Durnell.

DAVIS EXPECTS FIFTEEN STARTERS.

Cincinnati, O., July 2 .- After making inquiries this morning of the owners of candidates for the Decoration Handicap, which is to be the feature of Thursday's card at Latonia, Racing Secretary man Davis said: I think we will have about fifteen starters in the Decoration Handicap. J. C. Milam was highly pleased with Convolo's race, and McIlvain ran a good race under bad handling. vain is a good horse when ready. Beau Br Beau Brummel also ran a good race Monday after getting away poorly. I don't think any one would want a better field than Envoy, Lexoline, Still Alarm, The Minks, Phil Finch, Pasadena, Convolo, Plantland, Beau Brummel, McIlvain, Mike Sutton, Harry Scott, Old Honesty and Princess Orna. If all these would start

it will be a highly interesting contest." The distance is one mile and a sixteenth and Pasadena has the top impost of 114 pounds
